ABOUT THE ARTIST: PHIL THOMPSON

Phil Thompson continues to gain acclaim throughout the music and entertainment industry as an artist, composer, producer, and television personality. As one of the nation's freshest faces to emerge as a pop/instrumental crossover, Phil continues his rigorous tour schedule performing across the globe: from the Royal Imperial Palace in Vienna, to the US Open Tennis Tournament in New York, and most recently headlining for two nights in Las Vegas at Mandalay Bays executive "The Lounge" during their recent UFC Championship event. Phil also recently joined his friends and fellow artists "The Canadian Tenors" (as seen on Oprah and Dr. Phil) on their recent tour stop in Minneapolis.

Phil's recordings, available in stores and on iTunes, include four full-length albums (*Opening Act*, *Twelve Songs of Christmas*, *Tunes with a Twist*, and *Love Themes from the Silver Screen*), the benefit single for the 35W Bridge Collapse and American Red Cross *Final Ride Home*, as well as several commercial jingles. Phil continues providing original scores for a variety of projects, which in the past have included the Fox television series "Blueprint for Green", as well as the feature length film score for the PBS documentary "Footsteps - a Journey in Faith"

As a rising artist, Phil is often asked to appear on a variety of television programs, serving as a regular guest on a variety of Twin Cities programs (Showcase Minnesota, Twin Cities Live, WCCO Sunday Morning), as a host on PBS for many of their special events including the "Yanni: Voices" concert series and "Pete Seeger's 90th Birthday Party Celebration", and nationally on the Shop NBC network in front of 73 million households.

Phil also recently launched his own full service production firm, Phil Thompson Productions: utilizing Phil's talent and network of industry professionals to create custom CDs, Concerts, Ad Campaigns, Soundtracks, and music based marketing platforms for national retailers and non-profits.

In his spare time Phil believes strongly in giving back to his community, performing concerts for numerous charities including The American Red Cross, Minnesota AIDS Project, Open Arms, Cornerstone Shelter for Women, and People Serving People.

Although he spends much of his time between Los Angeles and New York, he enjoys spending time with his friends and family and maintains his full time residence in the Twin Cities.
